

# Welcome to St. Boniface Hospital

## Entrance & Visitor Restrictions Designated Entrances

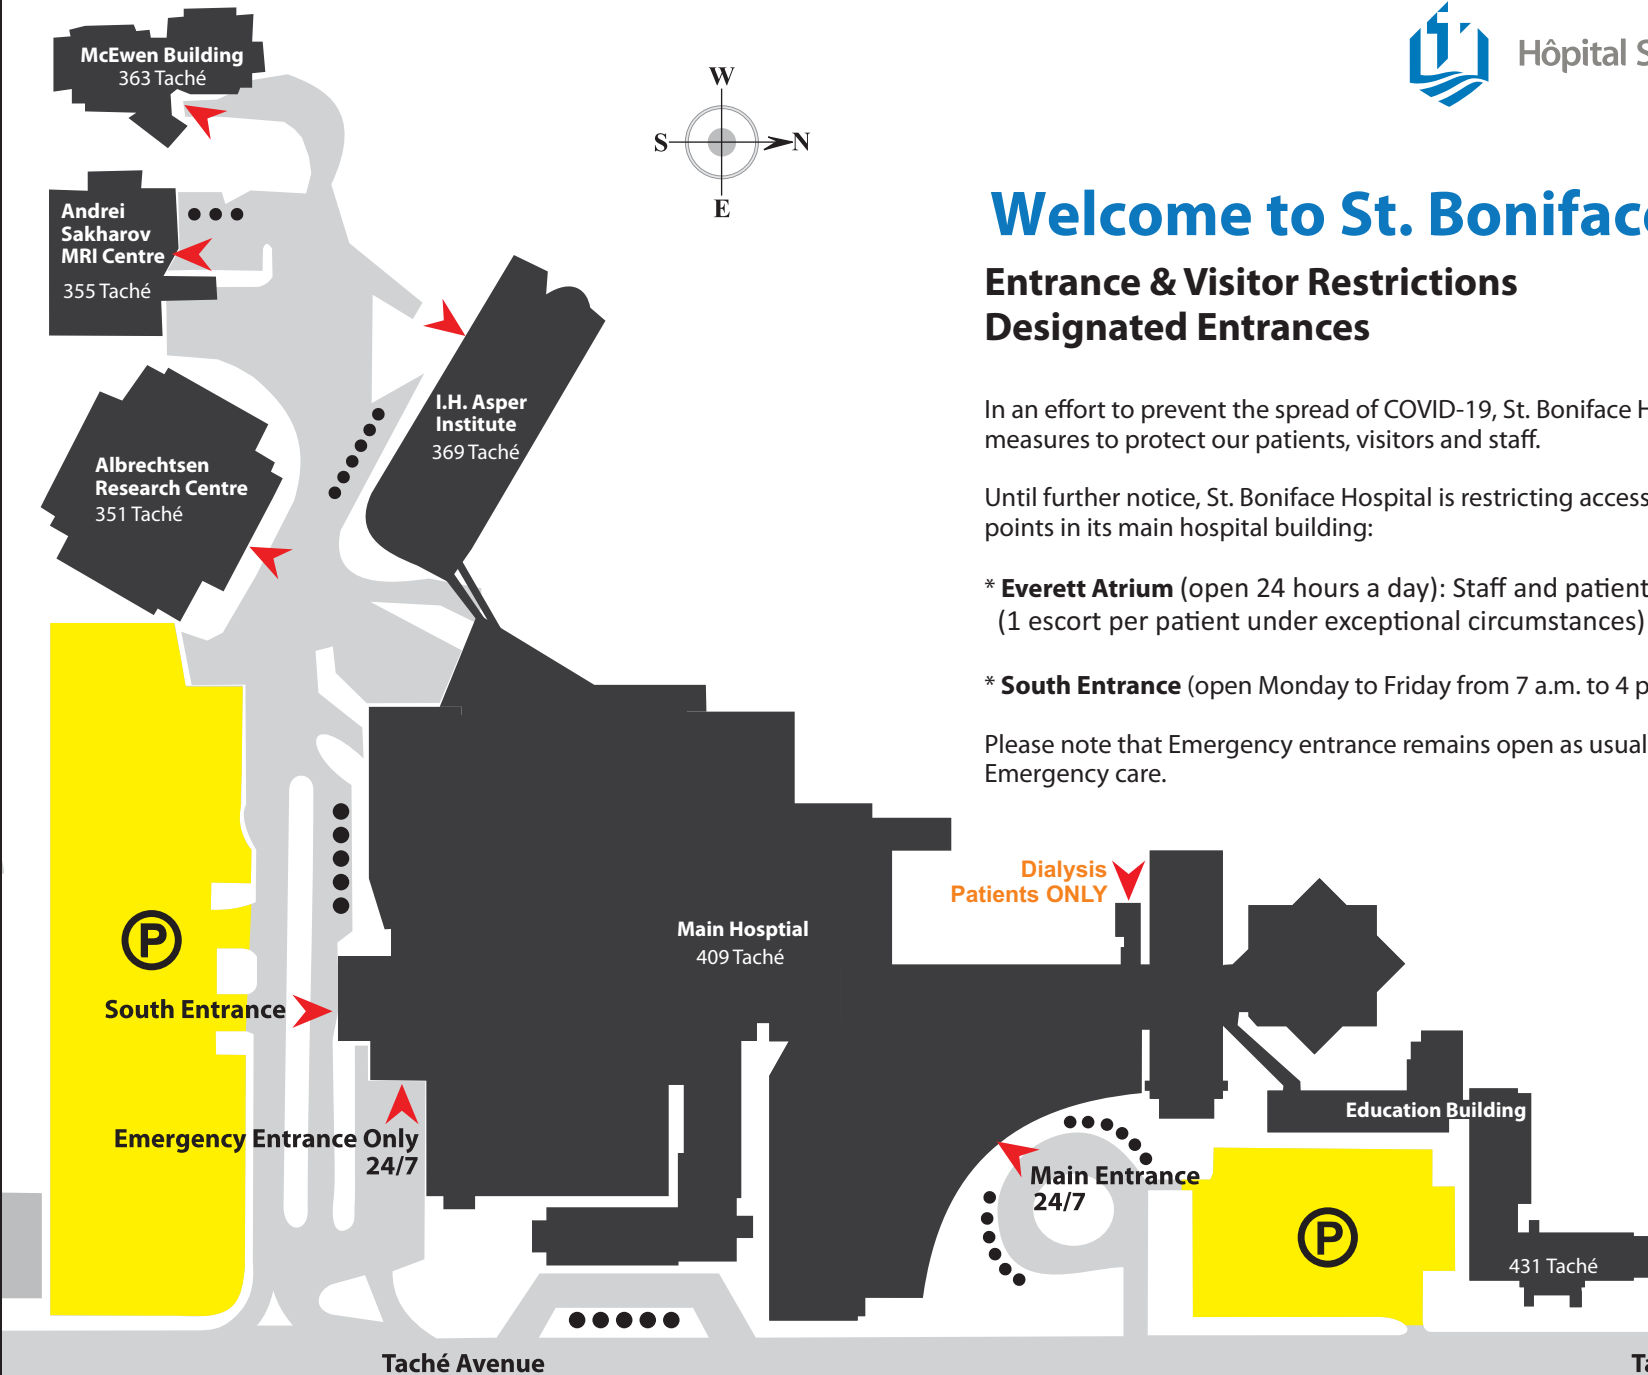

In an effort to prevent the spread of COVID-19, St. Boniface Hospital is taking appropriate measures to protect our patients, visitors and staff.

Until further notice, St. Boniface Hospital is restricting access to two (2) designated entry points in its main hospital building:

\* **Everett Atrium** (open 24 hours a day): Staff and patients  
(1 escort per patient under exceptional circumstances)

\* **South Entrance** (open Monday to Friday from 7 a.m. to 4 p.m.): Staff and patients.

Please note that Emergency entrance remains open as usual for patients needing Emergency care.
