

MESSAGE ALERT

From the St Boniface Registered Nurses' Alumni Executive: regarding the Covid -19 Pandemic

- ✚ We are now 8 months into the Covid 19 pandemic that has affected all of us in many ways.
- ✚ The Alumni Executive has not been able to meet as per our usual schedule, but we have been communicating via email and phone to continue the work of managing the affairs of the Alumni.
- ✚ The Executive was able to meet on September 23, 2020; our first executive meeting since February 26, 2020.
- ✚ Last spring, on March 23, 2020, a one-page notice was sent out to all members to announce the necessity to cancel the May 2020 AGM. This was a difficult, but a necessary decision, as dictated by the Covid 19 restrictions that were in place.
- ✚ Communication with members is very important and will continue by newsletter, special notices, sent out by email and mailing. We will make every effort to update our website and facebook site accordingly.
- ✚ Please note that the Interactive Exhibit in the Hospital Atrium is temporarily closed until further notice due to hospital Covid restrictions.

IMPORTANT: The membership committee is requesting that all members **PLEASE** update your **INFORMATION** so that you may receive the communications that we send out. Often members move, change e-mails and phone numbers which means you will not receive any communication. You may contact the Membership Chair by emailing: sbghmembership.com or via our website email: sbgh.rnalumni@gmail.com

Keep well, be patient with all

Gisele Hansen, President.
